

A clarification request is a request initiated by reviewers who need more information about a disclosure on your profile or a pre approval request. When this request is made, your profile will go into 'Action Required' prompting you to respond.

Action Required - Clarification Request

1/31/2024

Profile update is completed: 10/17/2023

Action Required

Click on the Submit Response button to review the clarification.

Progression

Once you have responded to the clarification request, your disclosure profile will revert to 'No Action Required', and the request has been satisfied.
